

The Gost Tour

A journey to some remnants the lizards never cared about.

Saturday 3rd of August

Afternoon arrival and rejuvenating swim in the *Centovalli's* river *Melezza*.

Drive to *Sabbione* in *Val Bavona*, location of the village belonging to *Franco Lafranca* and installation of the tent camp.

A five minutes drive to *Foroglio*, the location of *Leni Riefenstahl's* shoot for the film "*Das Blaue Licht*".

Very easy hike to the waterfall and afterwards a dinner at the grotto *La Froda*.

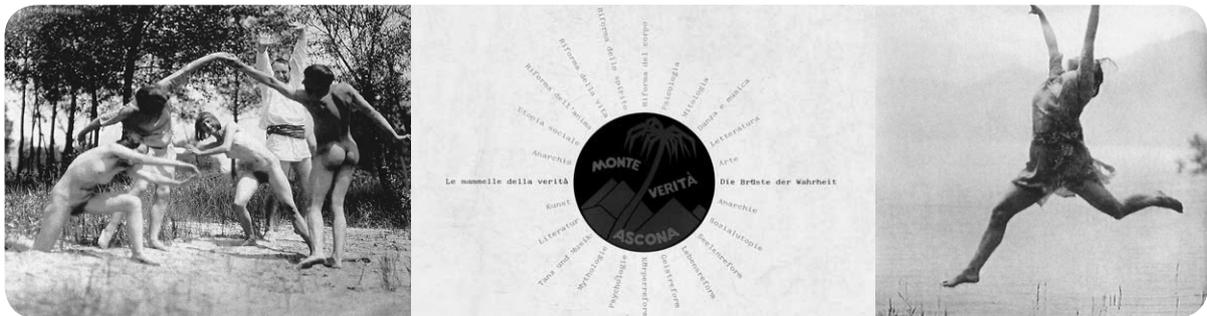

Sunday 4th of August

Franco Lafranca tells the story of his village *Sabbione* giving a tour of the grounds and explaining his vision of the growing land art interventions, as well as some folkloristic beliefs, histories and legends of the valley.

Monday 5th of August

15:00 tour of the now empty *Monte Verità* Museum, the *Casa Anatta*, by *Hetty Rogantini-De Beauclair*, the one and only guardian since the opening of the show “*Le mammelle della verità*”.

Tuesday 6th of August

Tour of the now empty *Harald Szeemann* Archive at the *Fabbrica* in *Maggia* by *Una Szeemann*.

Afterwards in the same building and the not empty studio, *Ingeborg Lüscher* will tell the story about her peculiar contact with hermit *Armand Schulthess*.

If there is still time and desire to visit further intellectual reminiscences in the region, here some suggestions:

Visit to the *Isole di Brissago*, once home of the flamboyant *Max Emden*, from where *Erich Maria Remarque's* villa *Casa Monte Tabor* is visible.

The Palazzo *Castello della Barca*, in *Comologno, Val Onsernone*; the writer and psychologist *Aline Valangin* and her husband *Wladimir Rosenbaum* were the owners.

It was a shelter for many immigrants, anarchists and anti fascists such as *Kurt Tucholsky, Ignazio Silone, Elias Canetti, Hans Arp, Max Ernst* et al., most of them also lovers of the landlady.

The artist *Lucas Herzig*, with a good knowledge of the place, would be happy to join one evening during dinner and talk about la *Barca*.

In the same valley, in *Berzona*, was the residence of *Max Frisch*.

Visit the *Teatro San Materno*, *Charlotte Bara's* dance dome in *Ascona*.

Break into the gardens of the *Baronata*, former house of *Bakunin* in *Minusio*.
Riccardo Lisi, director of the artspace *La Rada* would lead the lawless excursion.

The Museum of *Hermann Hesse* in *Montagnola* close to *Lugano*.
